

Earn While You Learn

The Higher Education Department of Haryana introduced the "Earn While You Learn" scheme for college and Since its inception, our college has proudly adopted this initiative to support students who are financially needy and academically driven. Under this scheme, students are employed for various college duties such as: Laboratory assistance, Library management, Administrative office tasks. The objective of the scheme is not just financial aid, but also to instill work ethics, responsibility, and confidence in students. It empowers them to support their own education while gaining real-world work experience within the college environment.

List of students benefitted under Earn while You Learn scheme.
