2024-25

## Title of the Practice: Green Campus

### Objectives of the Practice

- To inculcate environment consciousness among students by facilitating their participation in various green initiatives;
- To make the students aware of the adverse effects of climate change and global warming;
- To raise awareness among students and the general public about the advantages of using various green practices to reduce carbon emissions;
- To develop required skills and expertise among students to deal with conspicuous environmental Challenges.

### The Context

Keeping in view the ever-increasing ecological imbalance, poor air quality index and resultant health hazards, the institution is fully aware of its responsibility towards society.

### The Practice

On the recommendation of IQAC, various clubs, societies and forums like: NSS, Eco Club have been constituted in the college. Under the aegis of these clubs and societies, a committed team of students and staff remain active in and beyond the college premises for disseminating the message of sustainable environment. These clubs strive to spread awareness amongst masses by involving them in various green practices.

The subject of Environment Studies (EVS) is prescribed by the University as a part of the curriculum with an aim to make students aware about the importance of clean and green environment. NSS cell organize diverse activities on environment related issues such as: Tree plantation drives, Cleanliness drive, Awareness rally against single use Plastic etc.
